My practice is designed to focus on you and to assist you with your current concerns so that you may achieve a greater sense of health and well-being.

Because my focus is on your individual concerns, I take a comprehensive approach.

Please take the time to carefully complete all the following forms before your visit:

The Client Bill of Rights and the Homeopathic Services Notice forms require a witness signature; the witness must be eighteen years or older.

Your cooperation in providing accurate and detailed information on all aspects of your health will help me to make the most appropriate recommendation for you. This may include lifestyle changes, which I will aid you to implement.

Please plan on arriving at my office promptly at the time above. I would like for you to pay at the time of your visit. **Please note: I only accept Cash & Checks.** Most insurance carriers, including Medicare and Medicaid, *do not* cover homeopathic services.

If it is necessary to cancel this initial consultation, please give me as much advance notice as possible.

Please do not wear perfumes or colognes of any kind during your appointment. This includes scented body lotions, essential oils, and hair products.
